FURNITURE & OBJECTS

Objects for *everyday living.*

THE CONCEPT COLLECTION / 2026

Eight considered starting points. Material possibilities. Room for your ideas.

Illustrative stock imagery and sample specifications. Not verified inventory.

SR-01 / SEATING

Forma lounge chair

An open, sculptural silhouette for a quiet corner. A seating concept that balances a soft finish with a light frame.

SAMPLE DIMENSIONS

72 W x 78 D x 76 H cm

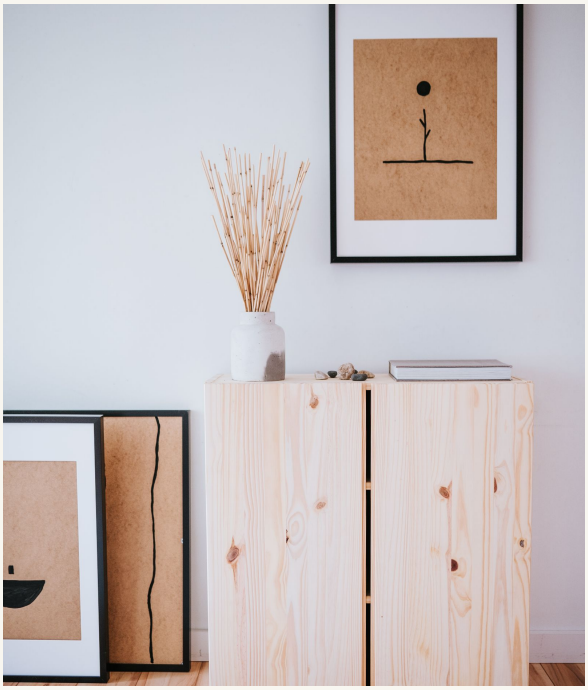
MATERIAL DIRECTIONS

Woven upholstery

FINISH DIRECTIONS

Chalk Sand Olive

FROM PHP 18,500



SR-02 / STORAGE

Linea storage cabinet

Simple lines. Useful space. A two-door storage direction for the everyday objects you want close, and the ones you prefer tucked away.

SAMPLE DIMENSIONS

90 W x 42 D x 100 H cm

MATERIAL DIRECTIONS

Oak veneer / Walnut veneer / Solid ash

FINISH DIRECTIONS

Natural Smoked Espresso

FROM PHP 24,000

Photographs are design references. Product names, sizes, construction, and prices are samples. Final specifications, delivery, tax, and installation require a written maker quote.

SR-03 / TABLES

Cross coffee table

A strong architectural base and a generous surface. A starting point for the objects, conversations, and rituals of your living room.

SAMPLE DIMENSIONS

110 W x 60 D x 40 H cm

MATERIAL DIRECTIONS

Oak veneer / Walnut veneer / Solid ash

FINISH DIRECTIONS

Natural Smoked Espresso

FROM PHP 16,500

SR-04 / STORAGE

Arc accent cabinet

Rounded edges and a warm grain direction. A sculptural storage concept that gives an overlooked corner a little character.

SAMPLE DIMENSIONS

100 W x 45 D x 120 H cm

MATERIAL DIRECTIONS

Oak veneer / Walnut veneer

FINISH DIRECTIONS

Natural Smoked Espresso

FROM PHP 32,000

Photographs are design references. Product names, sizes, construction, and prices are samples. Final specifications, delivery, tax, and installation require a written maker quote.

SR-05 / SEATING

Spindle dining chair

An everyday dining chair concept with a familiar spindle back. A simple companion to long meals and unhurried mornings.

SAMPLE DIMENSIONS

46 W x 50 D x 84 H cm

MATERIAL DIRECTIONS

Solid ash

FINISH DIRECTIONS

Natural Smoked Espresso

FROM PHP 7,800

SR-06 / TABLES

Gather dining table

Room to gather, with softly rounded ends. Explore a dining-table concept sized around the people and the space you have.

SAMPLE DIMENSIONS

160 W x 90 D x 75 H cm

MATERIAL DIRECTIONS

Oak veneer / Walnut veneer / Solid ash

FINISH DIRECTIONS

Natural Smoked Espresso

FROM PHP 28,500

Photographs are design references. Product names, sizes, construction, and prices are samples. Final specifications, delivery, tax, and installation require a written maker quote.

SR-07 / CABINETRY

Wall study system

Shelves, a work surface, and a more considered use of the wall. A cabinetry direction developed around your room, storage, and daily routine.

SAMPLE DIMENSIONS

240 W x 45 D x 220 H cm

MATERIAL DIRECTIONS

Oak veneer / Walnut veneer

FINISH DIRECTIONS

Natural · Smoked · Chalk

FROM PHP 48,000

SR-08 / SEATING

Hush two-seat sofa

A soft place to land. An upholstered seating direction for compact living spaces, reading afternoons, and the end of the day.

SAMPLE DIMENSIONS

170 W x 85 D x 78 H cm

MATERIAL DIRECTIONS

Woven upholstery

FINISH DIRECTIONS

Chalk · Sand · Olive

FROM PHP 42,000

Photographs are design references. Product names, sizes, construction, and prices are samples. Final specifications, delivery, tax, and installation require a written maker quote.

A little more personal.

A warmer grain. A softer tone. Start with the direction that feels right, then confirm physical samples before approving your piece.

Oak veneer

A light, expressive grain. Veneer over an engineered core.

Walnut veneer

Deep brown tones and a quiet, flowing grain. Engineered core.

Solid ash

A pale timber direction with a visible, open grain.

Woven upholstery

A softly textured fabric direction. Composition confirmed by swatch.

FROM IDEA TO AGREED DETAILS

01 **Share your idea.**

Choose a starting piece or describe a custom furniture or cabinetry project.

02 **Find the right fit.**

Prepare dimensions, quantity, delivery area, budget, and a material direction.

03 **Agree before production.**

Confirm drawings, samples, a written quote, construction, and the timeline with your maker.

SORA is a demonstration studio. Inquiries do not confirm orders, take payment, or commit to production. On-screen swatches are illustrative and do not recolor reference photos.
